**STATEMENT PURSUANT TO RULE 37 CFR § 1.821**

The undersigned agent of record hereby states that the sequence information recorded in computer readable form (CRF) is identical to the written sequence listing for the above-identified patent application. Submitted herewith in accordance with 37 CFR §1.821 is a paper copy of the sequence listing and two (2) copies of CD-R compact discs labeled copy 1 and copy 2 of the sequence listing. The two compact discs are identical. No new matter has been added.

I hereby state that as required by 37 CFR 1.821(e) the contents of the computer readable form is identical to the written content of the enclosed CD-R compact discs and hard copies.

Respectfully submitted,

Date: October 3, 2006

**AMENDMENT**

Please amend the above application to include the sequence listing set out in the accompanying compact disc and hard copy.

The undersigned agent of record hereby states that the sequence information recorded in computer readable form (CRF) is identical to the written sequence listing for the above-identified patent application. Submitted herewith in accordance are two (2) copies of CD-R compact discs, labeled copy 1 and copy 2, and a paper copy of the sequence listing. The two compact discs are identical. No new matter has been added.

Please direct the entry of this sequence listing into the application.

Respectfully submitted,
